This schedule is tentative, as some bands are dropping out due to the hurricane. Our performance time will probably change, but our call time in the morning will not.

Students are to bring their lunch, and may bring their dinner or buy it at the competition. The Band Association is only providing snacks at the competition.

Students will stay in groups. Students should bring at least \$20 for dinner, we are eating at the competition.

Honor Guard is select members of leadership. Mr. Holmes will notify those students.

We are in full uniform, and marching knights shirts after we perform.
